THE ADVENTURES OF
TINTIN
CIGARS
OF THE
PHARAOH
A holiday, indeed! I'd call it a deadly bore.
We'll be arriving in Port Said tomorrow. We go ashore for the day.

Our next stop will be Istanbul. We'll go ashore there too.
I'd settle for Marsinpike.

Piraeus, Naples, Marseilles, then home through the straits of Gibraltar.

How about that for a marvellous cruise, eh, Snowy?
Marvellous... You mean dull as ditchwater!... Why doesn't someone fall overboard to brighten things up?

This is the life, Snowy. A really quiet holiday for a change...
Save that paper... It's blowing away!... My Kih-Oskh papyrus!

Help, somebody!... Help!
I'll get it for you!

Fire! Police! Murder!

Stop! Stop!
Got it!

Whoa there, young man! You can't escape! What are you up to?

Yeoww!
Stop! Stop! It's going in the water!

Too late!

Now look what you've done. That paper was terribly important. This poor gentleman here...

Hello, that's odd. He's disappeared. He was there a moment ago.

Whatever can have happened to him?
Excuse me, but what are you doing?
Surely you can see: I’m rowing.

But you’re not in the water!
Nor I am! What an observant young man you are!

Now I wonder why I was rowing...
To rescue your papyrus, I expect. It blew overboard...

My papyrus?... My priceless manuscript?... Overboard?... Nonsense! I have it here.

Oh, yes... I remember now; it was just a travel brochure. You don’t really think I’d let go of this do you?... My magnificent papyrus... the key to the lost tomb of the Pharaoh Kih-Oskh. Scores of Egyptologists have tried to find the spot...

Every single one has vanished! But I, Sophocles Sarcophagus, shall be the first to reveal this wonder to the world.

I don’t know. I think it’s the royal cipher of Kih-Oskh. But if you are interested, why not join me tomorrow in Port Said. We’ll go on to Cairo, and find the place shown on my papyrus.

Good idea!

I beg your pardon, captain.
You clumsy nitwit! Can’t you look where you’re going?

So sorry, I mistook you for a ventilator...

What a strange fellow!

Till tomorrow then.
Goodbye, young man.
Come sir, pull yourself together!

This gentleman didn't bump you on purpose.

Goodbye, everybody!

Impudent young whipper-snapper! How dare you interfere? You obviously don't know who I am.

One day you'll regret you crossed my path! Just remember: my name is Rastapopoulos!

So what? Who cares!

Rastapopoulos?... Rastapopoulos? Ah! I've got it: the millionaire film tycoon, king of Cosmos Pictures... And it's not the first time we've met...

That evening...

Papyrus! Watch out! He's met a young journalist who could be a nuisance. I want him disposed of before he gets ashore.

Next morning...

He's gone in! Yes, come on!

Come in!

You! Your name is Tintin?

Of course!

We arrest you in the name of the law!
You?... Arrest me? You must be joking!

Joking? When we open one of these drawers you'll see what sort of a joke this is!

There! Someone tipped us the wink, and how right they were! Narcotics! That's heroin!

Next morning...

Who could have planted drugs in my cabin?

Someone who wanted me out of the way...

But why?

Smells fishy!

Here we are in Port Said. Just a cable's length from the quay... and here I am, locked in the hold!

Hello... they're beginning to disembark... I wonder...

Come on, come on... drift a little bit closer...

I... er... could you possibly take us ashore?

A few minutes later...

Here we are, Snowy... in Port Said.

Well, well! What a pleasant surprise!

Happy New Year!

Meanwhile...

He won't get far, if my name's Thompson!

To be precise: if my name's Thompson we won't get far!

planning drugs... he gave the police the slip... sarcophagus was already ashore... they'll probably make for Cairo. You have your orders: carry them out!
According to the papyrus the tomb can't be far away...

You wait for us here. We will return this evening.

Yes, effendi!

You see, a discovery of this importance must be kept absolutely secret.

You seem to know the area very well.

I don't know it at all; the papyrus gives very detailed instructions.

We're getting very close now...

You have a remarkable sense of direction!

If the information is right, we shall find the tomb of King Osiris at this very spot...

What did I tell you! The tomb! I've found it! O noble Pharaoh, I have come!

Fame at last! The name of Sophocles Sarcophagus will live for ever!

Hello, what does Snowy want?

A cigar... A cigar out here... How peculiar.

Good heavens! That's extraordinary! The Pharaoh's emblem on the band!

I wonder what Doctor Sarcophagus will make of that...

Hey!... What in the...? He's gone!

I say, Tintin, it's just like the band of the cigar!
Where in the world can he have gone?

Yooee! Doctor Sarco-phagus! Yooee!

Not a sign! He's completely disappeared...

What was that he said? "Scores of Egyptologists have tried to find the tomb... Every single one has vanished!"

I smell danger: there's dirty work somewhere round here...

Wooah! Wooh! Hello... what's up?

Aha! That explains it! Doctor Sarco-phagus went inside: we'll just have to follow him...

Down that dark hole? Brrr...

Come on, Snowy, careful now...

You heard that, Snowy? We're trapped in the tomb!

Aha! That explains it! Doctor Sarco-phagus went inside: we'll just have to follow him...

THUD
No! No! Never in a thousand years! No one's going to turn me into a mummy! We've got to get out of here, fast! We've got to find Snowy!

An umbrella! The Potter's umbrella! How did that get here?
Yes, they're absolutely identical with the one I picked up outside...

I wonder if the answer to all this lies hidden inside these cigars... I think I'd better take a look...

What... what's happening?... My head...

That smell... some sort of drug... someone's trying...

No! Not that!!

Meanwhile...

The bearded master told me to wait... When they did not return at nightfall I called loudly, I shouted... They did not answer me...

The next night...

Good, 'Seren' is at the rendezvous. Unload the camels.

I'll flash the signal.

Ah, there's the caravan. Lower the boat right away.
Allah be with you, Mohammed...
You've got the goods?

Yes, effendi. Everything is ready.

O.K. And get a move on. The boss is worried about the coastguards...

Someone with a funny sense of humour; hiding the stuff in a coffin.

One of the boss's bright ideas, I expect.

Half an hour later...

That's the lot, skipper. All aboard.

Whew! Am I glad? Raise the anchor!

That's Allan's boat. We'll get him this time... the dirty smuggler!

Coastguards! Just my lousy luck! Sling the boxes overboard, past!

An hour later...

Good thing we got rid of the evidence; they'd have nabbed me otherwise.

Message for you, skipper. It came while the cops were aboard.

Give it to me.

Three coffins shipped by mistake. They contain prisoners. Guard strictly pending fresh orders.

Important. Repeat important.

That's torn it! They've been dumped! How can we find them now?
Not a hope of picking them up in the dark. By morning they could have drifted for miles...

**At dawn...**

*CREAK*

Snowy!

There's another coffin... and it's opening!

...ry... cet... ing... wo... ump... ca...

What?... What?... Shout louder! The wind's too strong... I can't hear you!

What's that? I can't hear a word! It's the wind!

... ous... al...

...ent...

It's hopeless. I'm just shouting myself hoarse. The currents are pulling us further and further apart. But at least you and I can stay together, Snowy. I'll tie your boat to mine.

Now then, let's try to catch ourselves some fish for breakfast. If you're like me, you're starving.

And how!

Shout louder, I tell you!

A bite!

It's certainly a whopper!
If there's nothing else to catch in this bit of sea we'll just have to starve to death...

... or else be drowned. The wind's rising and the sea's getting rough.

Meanwhile...

It's hopeless to go on searching. We'll never find them...

Coffin to port!

Ah, I see it! Lower a boat and rescue the Ancient Mariner!

A few minutes later...

As soon as you get a reply to that, bring it to me on the bridge.

Filthy weather! And the glass is still falling. We're in for a real blow!

Signal, captain.

Secure your prisoner. If storm prevent further search abandon two other coffins and proceed to Rendezvous Three:

Good. That's more like it. We're heading south, and none too soon!

We're finished, Snowy!
Ah, he's waking up at last!
Where am I?

Ah, here's my passenger: Senhor Oliveira da Figuiera, from Lisbon.

Hello, young Sinbad! How are you? Slept well?
Yes, but how in the world did I get here?

Just happened to be passing, old boy, when you were going down for the third time!
You saved my life, Captain!

Forget it... But I must admit I'm dying to know what you were doing, floating around the Red Sea in a coffin.

I wish I knew that myself!

Ah, here's my passenger: Senhor Oliveira da Figuiera, from Lisbon.

'Morning. Delighted, dear sir, delighted!

Allow me to assist you, sir. Any little thing you may require, sir... and my prices will astonish you...

Just let me show you, sir. Absolutely no obligation. Now observe these exquisite ties...

Beautiful! Beautiful! Look how it suits you sir... matches your eyes... Quite, quite perfect...

And what about a sword? Real Toledo steel!

Everything a bargain! An alarm clock? A toothbrush? A biro?

Just as well I didn't fall for his patter. You end up with all sorts of useless junk if you're not careful.
That's the Arabian coast. We're landing there.

You're setting up shop? Here? It's the middle of nowhere. You won't get a single customer!

Roll up, roll up, lords of the desert. Act today, don't delay! Oliveira da Figueira is waiting to serve you.

Hello! Hello! Salam Aleikum! Here we are again! Senhor Oliveira da Figueira at your service...

What about this hat? Fit for a pharaoh! Make you the best-dressed man in the oasis!

Son of a mangy dog! You sold me this cake! I ate it, and now look what's happened!

Before the new moon rises, by Allah, my master Sheik Faruk Pasha will have you flogged!
Next morning...

Let's explore, Snowy...

What a quiet, empty place this is!

Patrash Pasha will be pleased!

Salaam Aleikum, most noble Sheik; the prisoner comes!

Bring him before me!

Aha! So it is you! It is you who tried to poison the servants of Patrash Pasha, infidel dog!

You mind your language!

We can do without the worthless clutter of your so-called civilisation!

What is your name?

My name? It won't mean a thing to you...

... but at home they call me Tintin.

Tintin! Can it be true? Allah be praised... Come to my arms!

For years I have read of your exploits... Allah is good... that he should bring you to my humble tent!
Some hours later...

Goodbye, my friend. You have the finest of my horses. May you travel safely.

I will!

Goodbye, Tintin; Allah go with you!

Goodbye, and thank you, noble Sheik!

Amazing what a little publicity will do for you!

Hello? I must be seeing things!

A city, here?

HELP!...MERCY!...HELP!...

That's a woman's voice...

I can hear someone screaming

MERCY! PITY!...

Brutes!

Don't be afraid...you've seen the last of those ruffians.

Idiot! Imbecile! Silly nitwit!
A whole sequence to reshoot, thanks to you! He's absolutely ruined my entrance!

Oh heavens, I've barged in on a film company!

You deserve to be...

I'm sorry... How could know...

What's going on here?

Sir Galahad here has wrecked my scene!

By Lucifer! Unless I'm much mistaken, you're the young man I had that little tiff with aboard the 'Isis':

Why, it's Mr. Rastopoulos!

I'm sorry! I lost my temper!

And I'm sorry if I messed up your film.

Pah! Think nothing of it! We're making a Superscope-Magnavista feature of "Arabian Knights". We've built a whole city not far from here.

I know. I saw it.

But what are you doing here, all by yourself in the middle of the desert? Come and explain...

Certainly...

I'm sorry we cannot keep you here, my friend.

You're very kind, but the captain of the dhow will be wondering where I am.

There she is, Snowy. We'll soon be back on board now.

An hour later...

... So there you are, Mr. Rastopoulos. That's my story. Remarkable, isn't it?

Indeed, dear boy. I find it fascinating!

Meanwhile...

Hmm... fresh instructions. We're to forget about Tintin, and look for gun-runners along the Arab coastline.
I can't see a soul on deck.

How odd, all gone... not so much as a whisker...

Sorry, I was wrong. At least puss stayed behind... Here, Snowy!

Wooah! Wooah!

Snowy, come here at once!

Great snakes! Machine-guns, under an old tarpaulin!

And rifles hidden beneath a layer of umbrellas!

I wonder where that cat went to...

... All these crates are packed with ammunition! It's like an arsenal down here!

More automatic weapons! What a fool I've been. It didn't cross my mind... this innocent little ship: gun-running!

Interesting, eh?
I watched you come aboard. Congratulations! I never guessed you were a policeman!

Me? But...

Captain! Danger! You come quick!

If you've given me away, just remember this. My boat is mined, and I'll blow her sky high before I'll surrender!

Here, Snowy, quick! Get me out of this!

THUD THUMP BUMP

What's happening up on deck?

All quiet now. They must have made a dash for it!

In a blue funk, I'd say.

Crumbs, I... now I understand! They've left us alone on board a mined ship!

BOOM

Take cover... I'm getting out of the way!

Whew! I really thought we'd blown up... And all the time it must have been another boat, coming alongside with a bit of a bump.

Ssh!... Someone's coming...

At least we aren't short of weapons if it comes to a fight...

Aha, Tintin!... We meet again!... Drug-smuggling, gun-running, inciting to rebellion... You really are in trouble this time!
In trouble? I wonder...

All right, I'll put up my hands...

Lights! Quick! I've got him!

Me too! I'm holding him!

We must stop him slipping out...

To be precise: we must stop slipping!

He must be down here somewhere... We'll soon find him.

Not over this side...

Nor here...

Did you hear that? Yes, it sounded quite close...

Sorry, I just couldn't stay under water any longer!
Saved!

Lucky for us he hooked himself...

Hurry up or he'll drown!

You'd better catch that animal while I take care of his master!

Stop, in the name of the law!

It's going to take more than that to catch me!

You're under arrest!

Help! Everybody out!

Help! He's dropped a grenade! We're going up!

Funny, something must have frightened him...
Goodness gracious!... Tintin! Oh dear, we forgot!

What's up with them? One minute they arrest me, the next they bolt like a couple of rabbits.

A pity about Tintin...

Yes... I say, does a grenade take long to explode...?

Lucky for us they ship grenades without explosive... otherwise we'd be sitting on a cloud by now, Snowy.

The fuse just went "phut".

Come on, Snowy, don't let's hang around here.

We'll head for the Cosmos camp. I'm sure Mr. Rastapopoulos will be able to help us on our way.

There's the camp. I wonder what he will say when I tell him about our latest adventure.

My dear chap, it's exactly like a film. Anyone would think there was a plot to get rid of you!

Next morning...

Good luck!

Goodbye!... And thank you again!

Still no explosion...

Don't be impatient... Must be delayed action...
If all goes well we'll be in Abudin by tomorrow. But we must go easy on the water...

There aren't any wells on our way. And the desert spells death without water.

Down! Quick!

Hoofbeats! A deliberate attack?

Yes, that's it: and when he saw he'd failed, whoever it was took to his heels.

My water-bottle!

Many hours later...

An oasis, Snowy! We're in luck!

You see, one should never give up hope!

Oh Snowy, I'm afraid we rejoiced too soon...
Snowy! Snowy! We're saved!

Look! This time it isn't a mirage! A drink at last!

Hello, two Bedouin. We'll ask them for some water.

They!

In the name of the law...

Clever dick! If I hadn't listened to you we wouldn't be wearing these nightshirts... and then we wouldn't have tripped ourselves up!

Smart Aleck! If we hadn't been disguised as Arabs he'd never have thought we were!

We'll soon catch him up... he was nearly exhausted...

There he is! Yes, that's him!

WHACK!!
Bother! We were mistaken!
To be precise: we're a mistake.

Come on, Snowy. We mustn't give up.

We're going to need all the courage we've got...To die of thirst...

There... I must be dreaming... palm trees... a town... I said we mustn't give up...

Water, Snowy, water! Wonderful luck!

And the town... Let's hope this one isn't just a film set!

Hello, what's going on?

What's going on? One of our sheiks was brutally attacked by two men of the Djalababi tribe. It's war!

Crums! I've chosen a bad moment to arrive!

Hey, you! Why haven't you reported to the recruiting office?

What for?

What for? I'll give you what for! Me! Corporal Abu-Bin-Dun!
Tough nut, sir!... Fancies himself!... Refused to enlist!

A tough nut, eh? We'll see. You must educate him, corporal!

Left... right... left... right... pick 'em up there, you horrible layabouts!

Halt! Order arms! Enough for today. Forty miles route march tomorrow. Squad, dismiss!

A rest at last!

ALI-BHAI!

Some poor chap in trouble...

You! Jump to it when I call you! Don't fool with me!

Who, me?!

Four days confined to barracks! Now, clean up the colonel's office... And watch your step!

Stupid idiot! How could I forget? I gave the name Ali-Bhai when I enlisted?

Great Snakes! The cigars of the Pharaoh! With the identical band! It's incredible!

Maybe I can find a whole box of them...

Got one! Hooray!
A spy! Call out the guard!

Get moving, you men! Arrest him! Lock him up!

That's my luck! Just when I was getting to the bottom of the mystery...

Spying... in wartime... Now I really am in a jam...

The sentence of the court is that Private Ali-Bhai be shot at dawn... The execution will take place tomorrow... The sentence will be communicated to the prisoner forthwith!

Shot!... I'm going to be shot... My poor, poor Snowy... This is the end!

A note... "Have courage: help is at hand. A friend." A friend?... Here?

My last night on earth... Unless...

Tintin!... Tintin!...

Who... who are you?

Ssh!... Here's a pile. Cut through the bars.

Hurry up! It's nearly dawn...

Done it!

No time to lose!

Free!

Halt!... or I fire!
Ha! Paid off, didn't it... changing the time of our rounds? ...

That's torn it. He's been recaptured!

Morning... It's all over. My last hope is gone...

Half an hour later...

Squad! Ready... take aim...

FIRE! BANG... BANG

TINTIN!

Tintin's dead! They've murdered Tintin!

I recognised him in spite of his disguise. Knowing the importance you attach to his disappearance, noble master, I arranged for him to be condemned to death. The execution was carried out this morning.

Wow-ow-ow! I shall never see him again. Wow-ow-oww! The only thing left for me is to stay here and die on his grave...

That night...

All is well... Everything is arranged... You can go there now.

Good. Here is your reward. Keep your mouth shut if you value your life...

A few minutes later...
This is the spot... Now to work!

Ali-Bhai - Spy -

Woah! Woah! Woah!

Ali-Bhai - Spy -

Quiet! I've come to save your master!

Save my master?

Tintin?... Tintin?... Are you there?

Yes.

You've saved my life, madam. I can never...

Come.

Ladies, I shall never forget what you have done for me. Just before the execution the sergeant told me the rifles would be loaded with blanks. I collapsed when they fired, and pretended to be dead. I did everything he told me, and that saved my life... But who are you?... And why did you rescue me...?

Where?

No questions...

Follow me.

Here we are.

Come in quickly.

Who are we? Take a good look!

Yes, us! We'd have seen you shot over our dead bodies!

But why? Why did you do it?

Simple! We were ordered to arrest Tintin, drug-smuggler and gun-runner, and an order is an order. That's why!
Open! Open quickly! It's the grave-digger!

All is lost! We are betrayed! The soldiers are coming! We shall be slaughtered!

That's it!... Break down the door!

There... look... They've escaped across the roof!

Yes, and they've taken the ladder!

Down the street! We'll catch them!

When... they've gone... Now then...

Off we go! There isn't a moment to lose!

Shuddering sheiks! It's the dead spy! Sound the alarm!

Treason!... Murder!... Kill him!
A plane! ... If I could only... No, there's a guard...

It's my only chance... I must try... Help! ... Help!

Help! Help! Save me! The dog... It's gone mad... stop it!...

Who?... Me?

It worked! He's bolted! We're Free!
Whew!... We just got away in time!

What? He escaped? In an aeroplane, you say? Good-for-nothing goat herds! Get fighters after him and shoot him down! You hear me?!

There... that speck on the horizon...

Fine... and he doesn’t suspect we’re on his tail...

Our lucky day, Snowy!

Crums! Only one thing to do: dive!

Hooray! I’ve hit him!

That’s what’s known as a clean kill!

Mission accomplished, sir. We shot him down.

Good, well done!
That's a very old trick, Snowy... Go into a spin, then disappear into the clouds. But our troubles aren't over by any means... We're running low on fuel.

... and no sign of a clearing... How much longer...

That's it! The engine's stopped... Out of juice...

Hold tight, Snowy!...

Here we go!

CRACK

The first aid kit! All I need is a book of instructions!
New, I wonder where we are. Somewhere in India, I'm sure, but impossible to tell exactly.

Don't be afraid, old chap. Snowy wouldn't hurt a fly.

Good heavens, you're ill. You're running a temperature ... Wait, I've just the thing for you.

What he needs is a good dose of quinine ...

A whole tube. That should be enough.

There, swallow that.

A lightning cure!

Hey! Take it easy, old man!

Put me down ... at once!

Where in the world is he taking me?
Look, brother elephants, this young human has cured my fever.

They seem to be having a conference. Now I can slip away.

Hrrrm! Hrrrm! Stop, little human. You must stay with us... You are our elephant doctor.

Some days later...

You see, Snowy, when the elephants talk to one another, they make a sort of trumpeting sound. I've been listening to them...

I think I may be able to pick up some of their language. Perhaps I can discover what they're saying, and even talk to them. All I need is a trumpet. So that's what I'm making.

It isn't all that difficult. SOL-LAH-TE-DH means 'yes'. DOH-TE-LAH-SOL means 'no'. 'I want a drink' goes SOL-SOL-FAH-FAH... Of course the main problem is to get a good accent.

Phew! I'm hot! ... I wonder... Why don't I try...

Now you stay here. I'm going for a walk.

It's time I did a bit of exploring.

Kih-Osh! The symbol, here!... It's unbelievable!!
Who on earth could have painted that sign?

The Sheik of Araby?

It can't be!

Doctor Sarcophagus!

Doctor! Hello! How in the world did you get here?

Tell me what happened... everything, since you floated away in the coffin...

Ssh! Not so loud!

I'll tell you, but you must promise to keep it a secret.

Well, absolutely between ourselves, I'm the Pharaoh Rameses II!

Tweet, tweet!... Don't tell a soul... Nobody knows... I'm travelling incognito.

Poor Doctor Sarcophagus... He's completely mad. I shan't get anything out of him until he's cured. But where can I find a doctor?

Where?... Of course! That's easy!

I used to play the piano too when I was a boy...
What does the little human want of me?

Good day, my dear Tutankhamen.

We need special help... Can you take us to a village?

Look!... A bungalow!

Good morning. I hope we aren't disturbing you...

I found this man wandering in the jungle. He seems to have gone out of his mind. Is there a doctor anywhere near?

You're in luck. Dr. Finney is up visiting this area. I'll send for him right away.

Look!... There!... Our sign!!
That's the whole story, doctor. Do you think the poor fellow might be cured one day?

Yes, he could... but he needs treatment as soon as possible. There's a special hospital not far from here; the superintendent is a friend of mine. You could take him there in the morning.

Meanwhile, you're my guest. I've just fixed a small party for tonight: do join us.

That's a strange weapon you have there. Isn't it a Hindu dagger?

Yes, a kukri...

It's made of steel... a deadly little toy!... I was given it by a Fakir. He told me it had magic powers... It's supposed to point to anyone whose life is in danger.

I'll get it down for you to see...

I'm so sorry. I do hope you won't take it as a bad omen.

Please don't worry. It's just a coincidence... Anyway, I'm not scared of omens!
Don't be alarmed, it's only the wind. I think we're in for a storm.

Quick!... Upstairs!... That sounded like Doctor Sarcophagus.

Empty!! He must have gone out of the window.

HELP!... SAVE ME!

My wife!... That's my wife!

OOH!

She fainted just as I came in...

No one!

Oh!... Oh!... It was horrible... A ghost... I saw a ghost!

The dagger has gone!... Look! It was here on the table...

Oh, Sahib! Sahib!... The spirits have come for us! I saw one... all in white... running into the jungle!

First time I've heard of a spirit nipping off with a dagger!... Anyway, no good chasing him tonight. We'll search in the morning.
Next morning...

The young sahib went out at dawn, into the forest.

Try not to lose the trail, Snowy...

Look!... There's his hat!

Yes, it's certainly his. We're on the right track... He's somewhere around.

What do you think of that, Snowy? Smart, eh?

Help! He's gone berserk!... Run for it!

Lucky his arm got tangled in the creeper. Otherwise...

_Lucky Vi isarna got tangled in the creeper._
Got it!... A fine ghost you are!

My dagger... Boo-hoo... I want it... I want my dagger...

No you don't!

Shame on you, Sophocles! Be your age!

Now then, why were you trying to kill me?... Come on, I want an answer!

It wasn't me... It was the eyes...

The eyes?... What eyes?

What eyes... What eyes? Ah! Now I remember...

Two lovely black eyes...

Rameses II, go back at once to the place where you saw the eyes!... Go!

If I follow him, maybe I can discover what this is all about.

Oh! The eyes!

Well?... Is Tintin dead? Speak!

No, he didn’t want me to kill him...

Idiot!! I might have guessed... Never mind, I will use the poet... And he won’t need hypnotising...

Hands up!... Fast!

You...!... Oh, the eyes!

Aha! You are in my power!
So! You cannot resist me!
Ooh, pretty little peashooter!

Whoopee! What a jolly game!
Ram-Ram's playing bang-bang!

I'll shoot you, naughty thing!

Whew! Thank goodness!
...Just a butterfly.

Bang-bang all gone.
Never mind, let's go.
The fakir managed to escape... No use going after him... Let's concentrate on the poet... He can only mean that Zluty fellow.

A few minutes later...
Let's have the cards on the table, Mr. Zluty. Someone's trying to murder me. And you're going to tell me precisely what you know about it...

Me?... But I don't understand...

You're lying! Talk, and talk fast!
Or else... bang!

I don't know very much... There's an international gang of drug smugglers... They're determined to get rid of you...

And you're a member of the gang?

Yes... No... I mean... There is a branch of the organisation here... You were recognised and someone reported to the boss...

And who is the boss?
Just a minute... The boss was furious that you were still alive! He gave orders for you to be liquidated... Sarcophagus was to do it, while he was hypnotised...

Someone was hiding outside the shutters...

Too late... I'm done for... It's their revenge... This arrow is poisoned with Rajajin juice, the poison of madness.

Who can tell me who succeeded Rameses II?

Me, sir... Napoleon.

The boss... Film... don't trust...

Quick! Quick!

Here we come... gathering... Come along, children, playtime is over now...

Here's a letter for the superintendent.

Later...

Now we've got two madmen on our hands.

We'll send them to hospital tomorrow.

Next morning...

Ha! ha! Off to hospital, my clever friend. With that letter they'll certainly give you a warm welcome!
Here's a letter from Dr. Finney about these two patients.

Hmm... Yes... I see... Quite so...

Orderly, look after these gentlemen, please.

Will you come with me? ... Just a few formalities ...

Certainly.

This is the sort of ward we shall use for treating your poor friends.

There's nothing to be afraid of. They're quite harmless.

"He will give you this letter himself. He will tell you it concerns his two companions..."

"... He is extremely dangerous. You should trick him into entering a cell, rather than force him. He will keep on insisting that he is absolutely sane..."

So, gentlemen, your unhappy friend will have all possible care.

We have complete confidence in you.

Goodbye, gentlemen.

Happy birthday, nanny!

Hello... yes boss. I copied the doctor's writing, and substituted another letter... It made out that Tintin himself was mad, not the others, and..."
If you don't keep quiet we'll put you in a strait-jacket! Understand?

If this is some sort of game, doctor, it's time it stopped. It isn't me that's mad, it's the other two I brought here...

Just as Doctor Finney said: "He will keep on insisting that he is absolutely sane."

Mad? They think I'm mad? It's unbelievable!

Here is your soup.

My soup?

Are you joking?

That's what I think of your soup!

Ye-o-o-ow!... Ye-o-o-w!

This is it! Now or never...

Help! Help!

Just the wall, and I'm free!

Crikey! How can I get over that?!
What on earth can I do? There must be a way...

He'd better get a move on!

Great snakes! There they are! Come on, Tintin, use your head!

I've got an idea! Zzzzz... Zzzzz...

Slip under the gate. Snowy, I'll meet you outside...

Take a good aim!

Whoops!

What's he up to?

Great snakes! There they are!

Coyne on, Tintin, your head!

Whew!... Saved!

Now, don't let's hang around!

Stop! Stop! I order you to stop!
Oh no! My escape... cut off!

I'll have to jump for it: if I stop I'm done for! Here goes...

Hello? Jamjah... the station? One of our patients has escaped, jumped aboard a train heading in your direction. I'll describe him for you...

Well, well, what a surprise to see your face again! We'd lost you completely!

To be precise: we'd completely lost face!

Goodness gracious! It's the ticket collector!

To be precise: we've collected a ticket!

He can't have gone too far.

No, we aren't too far gone.

I've got him!

Me too!

Safe at last! Let's hope Snowy follows the railway track. I'll hop off as soon as I can.

Confound it! He's escaped!

Wooah! Wooah!

Tintin! Now I shall never see him again...

Jamjah... the station? One of our patients has escaped, jumped aboard a train heading in your direction. I'll describe him for you...
Someone must have pulled the communication cord.

Yes, quite a young man... He asked me to hide him, so I pulled the alarm. But as soon as the train stopped he ran off. He went that way...

He can't have much start; we'll soon catch up with him.

Have a good time!

This track goes on for ever. Where does it end?

Excuse me, madam, I'm sorry to intrude, but can you tell me when the last train went by?

Miserable dog! Do you not know that I am a sacred cow?

Good! Someone to ask.

Where's the mongrel gone?

Moo-ow!

Sacrilege!... A dog is attacking our sacred cow!

Kill it!

Sacrilege! Kill it! Kill it!

We will slay it on the altar of Siva!
An hour later...

How can I get off the platform without a ticket?...

No mistake, it's him all right... Matches the description exactly...

What do they want with me?

Crumbs! Now I understand... My escape has been reported...

Hey, you! Stop!

STOP!...

Lucky for me I bought some bananas!

One...

Two...

One...

Indian Railways

Just wait, clever-dick... We'll pay you back!

W A Y O U T

And that's for number three...

Meanwhile...

O Siva-the-destroyer, graciously accept the sacrifice I am about to offer.

All that, just to end up in a strait-jacket. Poor Snowy, if you could see your master now!
See! We are catching young man in tiger-trap!

I'm sorry to trouble you, but I wonder if you'd mind...

But of course!

It is fortunate that we happened to pass this way.

How can I thank you enough, Mr... Mr...?

...The Maharaja of Goipajama. How do you do.

Highness! Highness! See! On the branch! The lord of the jungle!

Great gods! I missed it!

Your tiger, Highness!

We will return to the palace. You are my guest, Mr... Mr...?

Tintin, reporter.

And that evening...
By Siva!... That music!

No one! No one at all... Not a sign...

It's horrible... I must tell you... My father and my brother both went mad, one after the other. Each time, just before they became ill, the same unearthly music was heard outside the palace...

This time I am sure it is for me... It is a warning...

...Rajajiah, the poison of madness.

Maharaja, when your father and your brother went mad, was there any sign of a wound, a puncture on the neck or arm?

No, nothing... why?

Were they perhaps trying to fight the traffic in narcotics? Opium, for instance?

Indeed they were. And I am continuing their struggle. The poppy from which opium is made flourishes in this region. The drug traffickers terrorise my people. They force the peasants to grow poppies instead of food, and purchase...

...the crop for a miserable sum. Then, when the unhappy people need the rice they should have grown for themselves, they have to buy it from the smugglers at exorbitant prices. I never stop fighting the devilish organisation.

Good. We will work together. Listen carefully, Highness...

That night...

You see?... There... That window in the middle...

Magic rope, obey your master!
Aha! It is done... There goes the last of our mad maharajas!

Careful... he's coming...

What the...?!

Hey, where can he have gone?

Is he hiding in the tree?

Oho, that sounds hollow...

The problem is to find out how it opens...

Got it!

A well!

Strange...?!

Where does this lead to?

A door...

Careful! Someone's coming...

53
Brothers, with the exception of our leader, who is unable to come, we are all present. Our session may begin. Our brother from the West will speak first.

I have the best possible news for the Brotherhood: We are finally rid of the Maha raja of Gaipajama. Even as I speak, he is going mad!

Hello?... Yes, headquarters here... A message from Cairo?... What?!... Hold the line a moment.

Brothers, things look black. Our Cairo hideout has been raided. Only our leader escaped. He’s on his way here by air...

Hello?... What?... Someone’s just found what?... One of the brothers?... But... but there are seven of us here...

BROTHERS, WE HAVE A SPY IN OUR MIDST!
Since our rules forbid us to uncover our faces, you will come one by one and give me our password. Whoever fails to give the word dies instantly.

Good... Next!

Right... Next!

I... I'm sorry... but... I can't remember... I...

HAHA!

I will count up to three, my friend. If by that time you haven't given the password, I fire!

But... I... Er...

ONE!

TWO!

Wait! Wait! I've got it! I remember! KIH-OSKH and GAIPAJAMA!

Stupid fool! You're supposed to whisper! Now everybody knows!

Never mind! I am going into the next room. You will come in one by one and give me the password for our last meeting.

First!

Next!

Next!

Last one!
Not a bad day's work!... I must say I was lucky to be called first... Now, let's have a look at the faces of our jungle Ku Klux Klan!

The Fakir, a Japanese, Mr. and Mrs. Snowball, the colonel who sentenced me to death, and the Maharaja's secretary... It's fantastic!

What a cheek, thinking he could tie me up... Me, a fully qualified Fakir!

The Fakir! He's escaped!

Great snakes! I mustn't let him get away!

Aha! Now I really have you in my power!
Hands up! Congratulations, my friend, you've brought off a masterly coup! Hey! Don't you want to arrest me any more?

Among the papers they seized was a list of their enemies. It included you, and the Maharaja of Gaipajama. And there was a plan of this bolt-hole, too. We heard about it, so this is where we are.

To be precise: so where are we?

Wretched fellow! He's locked us in! Wait, I have a skeleton.

By the time we get the door open he'll be miles away. No use chasing after him. We can pick him up later on. Let's go back to the palace and send someone to look after the rest of the prisoners.

As for me, Tintin, I owe you my life. The dummy you put in my bed was hit by the arrow... the arrow intended for me.

Certainly not. We know you are innocent. We had a call from the Cairo police. They found a gang of international drug-smugglers using the tomb of the Pharaoh Kih-Oskh. It was their secret hideout...

A few minutes later...

Highness! Highness! The crown prince, your son! He's been kidnapped! Two men, they made off in a car...
Quick, the garage. They haven't got much of a start...

Careful, hang on tight, we're off!

Don't fall off, you two! This is going to be rough!

There they are!

The car won't go any faster.

Smoke! What's happened?

Oh, the poor devils!

They must have skidded on the corner...

We're gaining ground!

As soon as he climbs down to have a look we jump in his car and get going!

Supposing it's a trap... I just wonder...

Lucifer! He isn't going down. He'll go back to the palace, and we'll have no car... We'll soon stop that!
Gangsters! A good thing I wasn't fooled!
Impossible to get him. You keep him occupied while I make a break with the kid.
Now where is he? I can't see...
Hands up, Houdini! And drop your gun!

There, that's better. Just a minor detail, but my gun wasn't loaded.
What a coincidence! My gun happens to be empty too. So it's just the two of us...

I couldn't have done it better myself!

While Snowy guards the fakir, I'll go after the mystery man...

Diavolo! Can I never be rid of him?... But wait...

Come along, dear boy, just a little bit nearer...
Poor wretch. Who was he?
...I wonder if we shall ever know...or has he taken his secret with him?

Ah, there's the prince. I must get him back to the palace.

Now, if your Highness will excuse me, I must say goodbye and start on my long journey home.

No, no, Tintin, I don't want you to go!
Allow me to insist, Tintin. You must stay for a few days at least.

Thank you, your Highness. I shall be delighted.

Hip hip hooray!

THEOS KING FINISHES

ROYAL HOSTAGE FREED

Reporter Tintin cracked the final link in an international drug-smuggling chain, and following a dramatic mountain chase, the boy Crown Prince of Gaipajama, held hostage by the gang leader, was freed. The narcotics boss, whose identity is still a mystery, plunged to his death down a precipice. He has not yet been caught.
A few days later...

Greetings, most noble Pharaoh!

They're still quite mad...

Stop! Remember, it is forbidden to touch the cigars of the Pharaoh!

Long live Ramses II!

Play up! Play up! Now! Pass to the wing!

Hooray for Tutankhamun!

A goal! A goal!... Magnificent shot!

Highness, could you arrange for those two men to be brought to the palace. They need help...
Tell me quickly, where did you find these cigars?

They belonged to the Maharaja's former secretary. I knew he kept these hidden away. So when I couldn't find any of our usual brand, I brought these.

Just as I thought... The identical cigars! We found them in the tomb of Kish-Oskh... And the Arab colonel had some. Now let me see...

As I expected, they're fakes. The band, an outer covering of tobacco, and inside, opium! Quite a simple trick, but it fooled the police of half the world.

Well done, Tintin! ... But what about our friends here?

The Rolls? Thank you, my man.

The gentlemen's conveyance is waiting.

They will be well cared for... And you, my young friend, have earned a good holiday. Maybe a nice quiet cruise... now that we have seen the last of that evil gang.

I hope you are right, Highness, I certainly hope so... But somehow, I wonder...
